SoloLearn

ABOUT ME

Highly dedicated React developer with over 3 years of experience. Over the past year, I enhanced my MERN stack skills, integrating MongoDB, Express, React, and Node.js to deliver fully fledged web solutions. I build dynamic web applications with robust authentication and seamless CRUD operations. I excel in collaborative environments and am passionate about driving innovation and delivering high-quality software solutions.

WORK EXPERIENCE

- **MERN STACK DEVELOPER INTERN**
Entspos Developers Inc.

Worked on React JS, Next JS, Node JS, Express JS, MongoDB FIrebase
